Get the Realm Connect App
IT'S FREE!

Go to the app store on your phone or tablet to download
the "Realm Connect" app.
Search for **ACS REALM CONNECT**

The logo looks like this:

You will use the same sign-in user id and password
you just set up. Save them on your devices and you are
ready to COMMUNICATE!

Have questions? Contact Mimi Gentry, Chase Robinson, or
Karen Hartley.

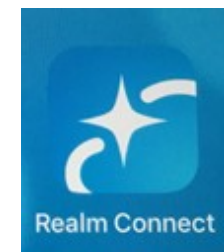

Join us for our
Realm Pot Luck Lunch & Learn
on **Sunday, March 8** after worship.

Discover what Realm can do for you AND learn
how to do it!

How do we communicate today?

Stay in touch with everything at CPC...
Have the member directory at your fingertips...
Check the church calendar...
Join a Group, Team, or Class...

What would you like to do?

- Member Directory - look up contact info or send someone and email
 - Make a donation, set up automatic giving, get your giving statement
- Communicate with your Sunday School group or Team, or just another church member
- Receive notifications about church activities, get details on church events.

You can do all this with “**Realm**,” our latest addition to our church software and our new communication tool. **Realm Connect** is an online app that you can download to your phone or tablet.

Get started...

Want to join and check it out? You will need your email address (the one the church uses or has on file for you) and go to www.CarrolltonPresbyterian.net.

Then go to the Member Directory tab on our website. You can do this on your computer, your phone, or a tablet. Click on the link [Sign in or register to join Realm Connect now!](#)

When you get to the Sign In screen like the one to the left, scroll down to where it says

“Don't have an account yet? Register Now”

Click on the “Register Now.”

You will be then see a new screen for you to create your own password.

Start with your email address (the one the church uses for you.)

Create your password with at least 8 characters.

Click the “I’m not a robot” box.

Click on the blue “Register” box.

Your new sign-in will be all set.

Don't forget to save your password somewhere safe!

Next, you will want to download the ACS Realm Connect app on your phone and maybe even your tablet. Find it in your app store. (Read more info on the back of this pamphlet.)
