NFUMC Missions GOALS

Seeking, Sending, Strengthening

“Across the street and around the world with Jesus”

Norcross First United Methodist Church is committed to being a missionary church with a vision to reach out in both word and deed, locally, nationally and internationally. In order to be considered for one time or ongoing support the following information is required for our Missions Committees to evaluate and recommend Missionaries/Ministries to support with our Faith Promise Funds. These decisions are made on an annual basis and are dependent on the funding that God provides each year through our Faith Promise campaign and the extent that the Missionaries/Ministries goals align with our goals. Ongoing support for subsequent years are dependent on the continued alignment of these goals and the annual evaluation of the effectiveness of these ministries.
