

## DISCIPLESHIP

### Transformational small groups that make disciples who disciple

1. Strengthen the faith of our congregation through gospel centered worship, teaching and the overarching development of a personal relationship with Jesus Christ.
2. Engage in small groups; the vehicle through which we live life together, grow as believers, share in joy, sorrow, support and accountability. Small groups also provide a platform through which we serve as the hands and feet of Christ to the needy and most vulnerable both in our church and community.
3. Small groups will multiply and “plant” by the leading of the Holy Spirit. This ensures that there are always small group opportunities available for members, college students and visitors alike, providing a dynamic means of engagement “IN” (being known by a group), “UP” (building an intimate relationship with Christ through prayer, study, worship) and “OUT” (sharing the gospel and ministering to the needs of our community).
4. Corporately, we embrace that our location on the Montreat College campus provides a unique and divine opportunity and calling to connect in ministry both to and with that community.

## GOSPEL-CENTERED OUTREACH

### Missional small groups that make disciples who surrender their lives for the needy

1. Help each member of our congregation understand their specific calling as a missionary; deepen their understanding of their particular mission field and train them on personal evangelism in the home, workplace, and community—wherever their sphere of influence may be.
2. Equip and encourage our church to serve in local ministries that align with their gifting and individual callings such as Montreat College, Black Mountain Home for Children, Veteran’s Ministry, Young Life, etc.
3. Corporately, with Swannanoa Valley Christian Ministries, our small groups will serve SVCM clients who own their homes to make their homes safe and energy efficient. Additionally, our small groups will prepare meals for SVCM clients and pray with them upon delivery. Small groups will also prepare healthy meals for children at the community school and connect with SVCM efforts to minister to these young people.
4. Work with SVCM on a long-term transitional housing plan. Focus for this housing will be on single moms and their children. We envision possibly 3+ units that could help these families get back on their feet for the short term and connect them with job training/education for the long-term.
5. Continuously fund the SVCM food pantry and help provide a volunteer base for the homeless shelter.

## GLOBAL MISSIONS

### Advance God's Kingdom among the nations

1. Send missionaries through our training, tithing, and prayers to reach three additional unreached people groups by 2025.
2. Provide opportunities for church members to participate in mission trips that connect with and serve these groups.
3. Communicate to the church body how the Gospel is on the move among these people groups and provide tangible ways for our members to support and connect with each effort.

-----

*All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to observe all that I have commanded you. And surely I am with you always, to the very end of the age.*

Matthew 28:18-20

*Seek the peace and prosperity of the city where I have sent you...pray to the LORD for it.*
