Another Great Recruitment!

The Pi Delta chapter had a great Recruitment this fall! Fall Recruitment at Wake Forest is informal, so it is less structured, but just as important. We had an open house on the first day in our beautiful lounge. Then, later in the week, we invited girls to a DZ Cookout on campus and our tailgate before the football game against Clemson. Next, we in-

vited girls to our Sushi Sisterhood at one of the favorite Japanese restaurants at Wake. Lastly, we invited the girls we loved to join the sisters in the

lounge for the premiere of Grey's Anatomy. This night was a huge success and the recruits really got to see how close our chapter is and how much fun we have together. All in all, we got **6 new members** who are a fantastic addition to our chapter!

Sisterhoods

This semester we have held several sisterhoods. We all really love these events because they allow our large chapter to come together and spend time bonding and getting to know each other.

These events include holding cookouts on Fridays, meeting for lunch in the Magnolia Room, and watching Grey's Anatomy together in our beautiful lounge. We also just had our annual Sisterhood Thanksgiving!

Date Functions

We kicked off the new year by holding a crush party here at Wake. At this event, each girl had the opportunity to invite 2 dates, instead of the typical one. Next, we held a Halloween date function in October where each girl and her date

dressed up in their best costume. Some of the big hits this year were Pebbles and Bam-Bam, Marianne and Gilligan, and the Spice Girls. Our last date function of the semester was our Rope N' Regal Formal in November. This is

a two night event and so everyone was very excited!

New Member Activities

We welcomed our new members to our sisterhood by holding a pinning ceremony. Recently, they have been having weekly meetings to learn about the history of Delta Zeta, our standards, and our chapter. We also matched each new member with a

older girl each week to be their buddy. This allowed the new members to get to know some older girls and really feel involved in the sorority. Several weeks later, we celebrated Big/Little Revelation. After a week of clues, the big sisters revealed themselves

and then celebrated together! The girls were officially welcomed into the chapter at initiation on November 13. We're so proud!

Dunk a DZ

In October, we held our annual fall philanthropy event, Dunk a DZ, where we set up a dunk tank on the Mag Quad, a main area of campus, for several hours. This year we changed things a bit and made it a competition between fraternities, who sent one of their brothers to sit in the tank with a

DZ for half an hour. The winning fraternity that had the most members come and try to dunk them had pizza delivered to their next chapter meeting! This year, the brothers of Sigma Alpha Epsilon won, but all the fraternities came out to support us. We raised over

\$3,000 for our national philanthropies benefiting the speech and hearing impaired, the most ever for this event!

Thank you so much for coming to our Founder's Day!

Upcoming Events

We have a busy year ahead of us! After the winter break, we have Formal Recruitment in January where we cannot wait to get a great new pledge class! We have been getting

ready this semester with singing and dance rehearsals and workshops. We also just had officer elections so we will be welcoming in the new leaders in January. Other things to look

forward to in the spring are Turtle Tug, our Semi-Formal and welcoming home the abroad girls!

Some of our sisters at Wake n' Shake, an annual Wake Forest philanthropy event!

Also, we would really appreciate your help in January with formal recruitment. Since that week is always very busy for the sisters, we would be so thankful if someone could help out with the breakfasts on the mornings of January 8th, 9th, 10th, and 11th. If anyone is interested, please contact our Alumnae Relations Chair, Ellen Abbott, at abboem6@wfu.edu and she will give you all the details.

Thank you in advance for your support!
