PRAISE SONG "This We Know"

OPENING PRAYER

Eternal Spirit, we enter into your presence today each with our own story, our own history of pluses and minuses, gains and losses, trials and accomplishments. You have promised us in the words of your Apostle Paul that we would be afflicted, but not crushed; perplexed, but not driven to despair; struck down, but not destroyed. Help us to slow down the pace of our lives that we might truly be open to your message. Lift our spirits, we pray, that we might breath more slowly, act without reacting, hear the voices of those around us with compassion and love. Help us to listen today and learn from the teachings and life of your Son, Jesus, who gave us countless examples and parables on how to live closer to you. Grant that we live a life that he would have us live. **Amen.**
