

Currently we are studying the Bible Savvy series by Jim Nicodem. Bible Savvy is a foundational resource to better understand the Bible from its whole storyline to personal application and how to live it.

In June, we will start going through some of the Ray Vander Laan's "Faith Lessons" studies. The first one will be "In the Dust of the Rabbi". This video-based class will discover how to follow Jesus as we walk through the terrain of Israel and Turkey and explore what it really means to be a disciple.

In September, the class will bring back an old standby, "DISCIPLE: Becoming Disciples Through Bible Study." There is a new twist though: the discussion sessions will be done within the Sunday School hour. This 34-week study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible.
