

Hello Prospective Learning Center Families!

February 15<sup>th</sup>, 2022

---

Thank you for registering with us for the 2022-23 school year which will begin in mid-August. For the first day (of school) you **will need up-to-date immunization and physical forms for your child**. Those forms are obtained through your child's doctor.

If you are placed on our waiting list, we will call you as soon as there is an opening. You may email us at any time to see if there have been any changes to the rosters.

As I may have mentioned in your tour, I will be retiring the end of June 2022. The church recently named my replacement, Mrs. Lily Frets. Mrs. Lily is currently one of our VPK teachers and she has been teaching VPK for 7 years. She has been in other positions with The Learning Center since 2009. You will remain in good hands with Mrs. Lily as she will be training with me through the end of this school year and ready to be your new director in August.

You may not hear from us for quite a while. We will be busy ending this school year with fun activities and graduations. In June we will close out the current school year and begin with our new children and families for the 2022-23 year. You may hear from us sometime mid to late June and information on Open House and teacher assignments will be out in early August. We will be closed for the month of July.

We will be having a small summer camp for 3 weeks in June. Information will be posted on our webpage under [www.fumcwg.org](http://www.fumcwg.org), "Our Preschool".

*If you have any questions, please email us at [learningcenter1@fumcwg.org](mailto:learningcenter1@fumcwg.org).*

Thank you and welcome to The First United Learning Center Preschool. We are a ministry of the First United Methodist Church of Winter Garden and welcome you aboard!

Regards,

Mrs. Wendy and Mrs. Lily
