

## **DECEMBER MISSION OF THE MONTH: THE ANGEL TREE—an SVPC Tradition**

The Angel Tree will be placed in the Atrium and tags attached this week. We encourage our congregation to choose a tag from the Angel Tree and purchase Christmas gifts for those in need. This year we are supporting the families served by Sistercare and our Building Families Program. You may choose to support a family by taking a tag from the tree, or you may choose from the generic gift list below and on the tree. **Gifts should be new and unwrapped, and should be returned to the church no later than December 14** for delivery to the receiving programs. You may also donate gift bags and wrapping paper if you desire. We will not be doing the wrapping this year for Sistercare. We may assist Elizabeth in wrapping for her families. More to come on that detail. Christmas is a time for traditions; the Angel Tree tradition at SVPC encourages us to remember those in our community who need help and need to know Christ's love. Shopping with your children provides an opportunity to be a role model, to show them God's love in action. May God bless all of us during this season of joy!
