BAKE SALE

It's that time again. The Bazaar is right around the corner and we are looking for help in baking for the baked sale. Last year we tried something different. We asked that you cut brownies, Rice Krispie treats and sheet cake cookie bar items into large sizes (as listed below), and wrap them individually in cellophane; and if possible, to bake larger cookies and wrap individually. Because we had such a huge success with that last year, we are asking you to do the same again this year. **Please look for our table in the Atrium and Potts Hall for supplies and more details.** Select items below that you are willing to bake and note quantity.
