

11/7/17 Worship Meeting

Present: Fr. TJ, Ruth Smith, Jan Fairley, Pam Hayes, Debbie Skillman, Don Hill, Janet Wester, Lorraine Beamer, Ricky Evans, Gene Myers, Bobbie Fuchs

Opening prayer

Beach Ministry: Ricky said Jimmy and May Moore would like another person/persons to take over the coordination beginning with 2018 services. Peter Del Sol to be asked if he would be interested.

LEM customary approved with minor corrections

Usher customary revised and posted on website. ("Greeters" will now be moved to Parish Life as they are looking to have permanent volunteers meet and greet newcomers)

Acolyte customary review postponed until next month.

Lorraine requested that each ministry write a short paragraph describing what they do so she can include on St. Philip's website. This may help new/existing members with future decisions to volunteer.

POP readers will now stay at lectern for confession.

Carillon-Don Hill said that although they currently have enough volunteers to cover five Sundays, they will probably be looking to supply subs. It has been a long-term commitment for those that are doing it now and it would be a good idea to have others involved.

Tree Lighting will be 12/6 and coordinated by the Men's Club.

Fr. TJ said he will be scheduling a 2nd LEM training in the near future. He is also looking to see if there are any candidates to be presented on Sunday Jan. 7th for the feast of the Baptism of our Lord.
