Confirmed approval of Dec minutes

- Ash Wednesday service times (Feb 26) to be published in Southport local newspapers. Consideration of holding the services in Chapel of the Cross?
- Will continue researching possible hanging of historical flags now that the COC renovations are complete. Debbie remembers them being there for as long as she has been a member. Lorraine said she has a 3D rendering of the chapel along with the flags that were there before the damage.
- Fr Eric has asked that baskets be placed in the back of the sanctuary (beginning 1/12) close to the baptismal font to collect old palms which will be burned and used on Ash Wednesday.
- A few parishioners were given experimental bulletins (formatted in trifold) last Sunday in order to gather opinions and comments. The new bulletin would have the entire service written inside. It was thought that it might be easier for newcomers to only open a hymnal along with not having pages of inserted announcements.
- Usher training to be held at 9:05AM on 1/12 and 1/19. This training will include instruction on the new security proposals and procedures.
- Fr Eric and Peter will meet with the beach ministry organizers and helpers. There is still the question of the storage of the altar once services begin in May.
