Feb. minutes approval confirmed

- Piano project complete, extra pew moved into last row of choir platform
- Funeral coordinator never chosen. Pam said she would volunteer as director. Will ask Deborah Alt who had previously expressed interest to be a backup.
- Dennis Courtnage has volunteered that ushers take on the responsibility of placement and removal of cones and handicapped signs for Sunday services instead of the VPOD. An e-mail will be sent to Vestry and Head Ushers to notify them of the change.
- Jan Fairley stated there are two new volunteers for Flower Guild. She mentioned there have been problems with flower deliveries but is hoping that problem can be solved by the end of Lenten season.
