- Fr Eric explained our “new normal” for church services going forward. There are no longer any attendance restrictions. We will have two services, 8AM (Rite I, no music) and 10AM (Rite II, music and singing). Prayer books and hymnals will be in pews for use again. Collections plates will be passed through the pews. Communion will be distributed in front of the altar. Parishioners will form two lines to receive their sacrament (similar to the Catholic church distribution). Choir section, acolyte section and balcony will be reserved for those parishioners who prefer social distance and masks. Meeting spaces are once again fully open. Fr Eric will meet with Deacon Pam to discuss responsibilities going forward now that Deacon Sally has “retired” parish duties.
- Beach service resumes June 6<sup>th</sup> with Mother Lisa as celebrant. A table is available to use as the altar if necessary. Celebrants are covered for all but 3 beach services. Peter is meeting today to confirm if there is a place to store the altar near Register Park.
