

## Worship Meeting 9/3/19

Present: Fr Eric, Lorraine Beamer, Ricky Evans, Peter del Sol, Jan Fairley, Debbie Skillman, Janet Wester, Bobbie Fuchs

Opening prayer

Confirmed August minutes approval

- Ricky spoke to person who made and gifted altar frontal to St. Philip's asking if it could be adapted to use in the Chapel of the Cross. Seemed to be agreeable to the suggestion. This brought up a discussion on whether there should be a written policy on the gifting of items to St. Philip's going forward. Ricky suggested that Dana Richardson might have some input as to the wording. One suggestion "non-monetary gifts to be presented to appropriate board for approval?"
- Question of storage of altar, signs, cross etc. for the Beach ministry. House where all is currently kept is up for sale. Maitland was a tremendous help when Peter was not able to make the services.
- Ricky mentioned budget requests for 2020 need to be submitted by 9/20/19
- USE OF NARTHEX:  
"We are all thankful to have our narthex repaired and open for use again. With the growth in our church, we need to accommodate more people gathering before, after and between services. In order to allow those with wheelchairs and walkers to safely access exits and restrooms, we would like to keep the furnishings and displays in the narthex to a minimum. Any ministry wishing to schedule the use of the ministry table should contact Worship Chair Ricky Evans no later than one week prior to the date of use."
- Building and grounds and hurricane preparedness. No access to church properties after 12PM Wed 9/4. Brian Wester will seal the doors and cover organ. All activities cancelled thru Fri 9/6.
- Men's breakfast has been moved to the last Sunday of each month
- Coffee hour and Adult forum begin 9/22
- Jan said no flower delivery for Sunday 9/8 due to hurricane. We will have a surprise display
- With the departure of the Don and Trish Hill, Carillon needs additional volunteers for one Sunday each month. Janet and Bryan Wester have agreed to do the last Sunday of each month
- Discussions regarding the possibility of installing a smart TV in the narthex projecting St. Philip's weekly activities (instead of paper clutter)
- Ministries printout are to be at each table setting at the Homecoming luncheon at the community center.
