

Worship meeting 9/7/21

Present: Fr Eric, Mother Lisa, Deacon Pam, Lorraine Beamer, Debbie Skillman, Janet Wester, Rich Alt, Bobbie Fuchs

Ricky opened meeting with a prayer

- As per discussion at the Board Chair/Communicator meeting, Ricky has asked that each ministry designate a "deputy" as backup. This way there will be representation in the event the board chair is sidelined or unable to be present.
- Fr Eric said the Chapel of the Cross was to be closed Wed and Thurs for filming purposes. The bishop is continuing visitations to churches. With regard to Covid protocol, most churches are enacting similar guidelines.
- Lorraine said ushers and readers are still needed for 8AM services. Two funerals scheduled Oct. 9 and Oct. 16.
- Rich Alt said the Safety and Security committee is working diligently on medical issue procedures along with evacuation process in case of fire etc. He also mentioned that he received a number of comments wishing to extend the beach service after Labor day. Suggestion will be made to Beach ministry for future consideration.
- Peter del Sol missed the meeting but submitted the following report for the Beach Ministry:

"The Service went very well through the Summer and the Utilities Building to store the Altar and supplies was a "God Send" to the Beach Service. We will have to send a letter of Thank You to the Town (Mark Moore) for offering this place to store our Altar. Attendance was good but I am sure when the sign gets redone for next year (Ricky Evans) more people will attend from Oak Island. I thanked my team for all their efforts each Sunday from Memorial Day till Labor Day. Bud, Phil, Maitland and Aedan, Mary and Steve, and Rich. Plus all who attended each Sunday including the VPOD and Readers. Our plans is to take the Altar Box on wheels out this Thursday and store it in Phil's place. I will take the Altar and contents and the Amp and the Altar cover at my place for now. Thank you to Lorraine for setting up the Priests for the Service each week and will hope we can get together writing a Thank You to the Town for use of Register Park and a letter to Mark Moore for use of the Utilities Building for storage of the Altar Box on wheels. I Thank You all for your help this Summer and hope to see you all next year without COVID interference !"
