

## **70<sup>th</sup> ANNIVERSARY CELEBRATION FEATURED PREACHERS AND BAND**

### **REVIVAL PREACHER AND BAND – July 7, 2018**

#### **Reverend Janet K. Buffaloe**

Janet is a spiritual mom, carrying the radical love of God to His precious children. Her life mission is to “*know and make known this radical, transforming God, Who is Love!*” She has a love for God, His people, and His Word. Janet served the Lord Jesus 18 years in the United Methodist Church as an ordained Elder in Full Connection, first as a pastor and then as a General Evangelist in the North Carolina Conference, USA. In 2008 God called Janet to ministry among all Christian denominations- God’s people from all walks of life and Church backgrounds. Janet seeks to live in loving relationship with the larger Body of Christ as a Bridge builder, Fire starter, and equipper of His people, serving via the tool of *Father’s Heart Ministries International (1 John 3:1)*, in a loving unity with many other ministries amongst the diverse Church locally, regionally and beyond to the nations!

**Judah** - Judah seeks to be a “nameless, faceless tribe of worshippers” of the Lord God. Judah has served as part of the ministry of *Father’s Heart Ministries International* to bring praise and worship to God, ministering with and among God’s people via this gift of worship, bringing people into God’s holy Presence. We believe strongly that when God is worshipped from the heart of His people, His Presence is manifested and changes us! In changing us this deep work of Holy Spirit ripples out of our lives powerfully in the places we live our lives and the world is transformed in God’s grace via our surrendered, worshiping lives. To empower such lives of praise and worship is to be world changers. This is Judah’s heart. And in all, may Jesus Christ be praised!
