The 2017—2018 school theme which guides us:
Happy are those who walk in the ways of the Lord.
(Psalm 128)

Thank you from the Class of 2018 to everyone who participated in Monday's Legacy Out of Uniform Day! The donations will go toward the final touches on the locker room remodel. Your support is greatly appreciated.

A Big Bake Sale Thank You!! The fifth grade would like to thank all the students and staff who helped make the Bake Sale a HUGE success!! With your support, the sale raised \$516 that was split between two carefully selected charities: Solve ME/CFS Initiative and HAWS.

These two wonderful organizations were selected as the result of a persuasive writing/technology assignment and student vote. Each student created a technology-based presentation trying to convince classmates to give money to the charity he/she selected. After all students presented their projects, students voted for the most convincing one in each class! The fifth graders worked very hard throughout this entire project, but they could not have raised so much money without the whole school's help! Thank you!

This year we had a very special addition to our Bake Sale donation! Several family members of Luke Josetti, the winner who selected Solve ME/CFS Initiative, and a corporate sponsor generously added donations to dramatically increase our total donation from \$258 to over \$1,000! THANK YOU for helping us realize that a small act of support can become something much bigger with the help of other caring and generous supporters!

Tommy Gutierrez is this week's Athlete of the Week after his performance at the 20th Annual HA Invite. Tommy finished 4th place in the high jump and anchored the 4x400 relay team that took 5th place. But his biggest performance of the day came in HA's signature event, the Cross Country Mile. Tommy ran the course in 5:35 to win the event which featured over 75 runners. Without a doubt, Tommy has been the leader of the HA track program all year in both practices and in meets.

And one final note to thank all coaches, athletic board members and parents for helping put on the best middle school track meet in SE Wisconsin!

We need about 160 small plants for our children to create a hanging garden during VBS! If you have indoor plants that are ready to be cut back, please consider helping us out. This process needs to start now in order for the plants to get a good root system so they are ready to be planted by July 17.

Have questions? Please contact Teresa Tobin at ttobin@hanb.org or 262-754-0157
