### How You Can Help: Statement from the Archdiocese of Milwaukee Regarding Hurricane Florence

As Hurricane Florence moved through the Carolinas, we lift up in prayer all of those who may have been impacted, asking God to guide the first responders to those in need, and to 'love thy neighbor' by offering assistance to those within their community and beyond. Despite being a thousand miles away in Wisconsin, we still have ways to help victims of Hurricane Florence.

One way to assist is through making a donation to Catholic Charities USA. The agencies of Catholic Charities directly impact areas by initially taking on the role as short-term disaster responders, providing victims with food, financial aid, clothing, shelter, gas and retail store cards, and household goods. In addition, Catholic Charities has opened shelters, established temporary housing in diocesan and state facilities, provided crisis counseling, organized parish "Adopt-a-Family" programs, held furniture drives, and raised money to offer assistance.

Donations can be made online at [catholiccharitiesusa.org](http://catholiccharitiesusa.org) or by texting CCUSADISASTER to 71777.

Let us join in prayer for those who are in the path of Hurricane Florence. May God bless and protect them, and may He extend the might of his right hand and bid the sea be "quiet and still" (Mark 4:39).

**Our parish volunteers have left for their mission trip to Sabana Yegua, Dominican Republic on Sept. 25.** They will be there for 1 week with a primary focus on serving Haitians with free Medical and Dental Clinics. Please keep them in your prayers this week.

**In art, our 8th graders created a banner for our parishioners to bring to the Dominican Republic** as a gesture of friendship and solidarity with La Sagrada Familia and the Haitians we serve. They did an amazing job creating this gift!

**As you probably recall, Holy Apostles had an appeal while Fr. Juan was visiting last time – for a new roof on a chapel, LSF Community.** You will see a photo of the progress to the left. The roof will be going up shortly!

Love God. Love Others.  
*Transform Our World*
