- Average class size—19 • 2 classrooms per grade
- 18 extracurricular offerings, including a variety of clubs, athletics, and the arts.
- 31 certified, accredited teachers committed to creating classrooms built on faith, character, and academic excellence, including many who have advanced degrees.

Why choose Holy Apostles?

Holy Apostles School faculty dedicate themselves to provide the best education for your child spiritually and academically. We offer rigorous curriculum, a variety of programs, and daily opportunities for faith-based reflection geared to motivating students to become their best selves.

Highlights include:

- Our teachers utilize **state-of-the-art technology and resources, to prepare our students for future careers and challenges.** We have smart boards in every classroom, a dedicated technology lab, classroom iPads, several tablet and laptop mobile carts, a staffed learning resource center, and a fully stocked library.
- We are a **5K—8th grade STEM school**, integrating Project Lead the Way into our science curriculum, providing opportunities for problem solving, teamwork, and innovative thinking at all levels.
- Our curriculum is consistently reviewed and continually advancing. **In 2017, we have implemented a new math curriculum, as well as enhanced our reading program series** to ensure we have the most innovative curriculum for flexible group learning.
- **We offer a comprehensive 4K—8th grade Spanish program** designed to help students become proficient in their language use and cultural knowledge, as they learn to effectively listen, speak, read, and write in Spanish.

As a Catholic School, our education is rooted in our faith and traditions. We strive to build faith, character, teamwork, leadership, and a service focus through: setting a prayerful example, bible study, service projects, retreats, and our religion curriculum.

We are a 3K-8th grade Catholic School proudly serving New Berlin and 7 other surrounding communities since 1893. Our mission calls us to advance the educational ministry of the Catholic Church by creating a compassionate atmosphere which develops faith, service, and academic excellence.

3K through 8th grade

We are proud of our results ...

We understand that testing is an important gauge to academic success. We also know that testing alone does not truly measure a child's knowledge and potential. We try to balance the need for standardized testing as we strive to educate the whole child, and prepare them for their high school future and beyond.

As part of the Milwaukee Archdiocese, we use the Iowa Test of Basic Skills (ITBS). We use this nationally recognized standardized achievement system to test our students in 3rd, 5th, and 7th grades. Teachers use this data, as well as classroom observations and our grading system, to best determine the learning path for each child. Our ITBS scores, and those of the schools within the Milwaukee Archdiocese, are summarized below:

% of Students who score proficient or advanced on the ITBS Test

Test Areas	3rd grade	5th grade	7th grade
Reading	94%	86%	87%
Written Expression	100%	85%	85%
Vocabulary	100%	93%	94%
Mathematics	84%	89%	88%
Computation	85%	84%	94%
Social Studies	97%	91%	86%
Science	97%	91%	89%

3rd Grade ITBS Comparative Analysis

7th grade ITBS Comparative Analysis

We take the greatest pride in our graduates. Our reputation is strong for producing respectful and disciplined students who are well prepared for high school. We are consistently amazed by our graduate's accomplishments ...

- Most students attend Catholic Memorial and New Berlin Public Schools, as well as Marquette High, DSHA, Pius XI, and other area public schools.
- Graduates often qualify for advanced level or AP level courses in science, Spanish, or math.
- They take on leadership roles on many high school athletic teams, clubs, and organizations.
- Our Alumni frequently join us for service projects, to volunteer, or even join our school staff!
