The 2017—2018 school theme which guides us:
Happy are those who walk in the ways of the Lord.
(Psalm 128)

Inclement Weather Update: Remember, Holy Apostles School closes when the New Berlin School District Closes ONLY. New Berlin School District now has all of our school families and school staff emails and phone numbers, so HA can be a part of the ROBO calls and emails for school closings through New Berlin School District. BUSING: If the WA/WM School District closes - West Allis School District families will need to provide transportation to and from school if the NB School District is still open for the day.

Emergency Weather Information can be found: on WTMJ - Channel 4; WITI - Channel 6; WOKY - AM 620; WKTJ FM 94.5. Get more information [here](#).

Mileage Club Volunteers Needed! This great program has been promoting fitness by encouraging kids to run laps at their lunch recess for many years! Duties include marking down who runs a lap and how many they run. It's THAT easy to be involved and serve the school! You can even bring younger children along. The time frame is 11:20 - 12:50 on Tuesday/Thursday. Please consider serving, even 1 day a month would make a huge difference. Please contact Ann Stockero @ astockero@wi.rr.com.

Volunteers Are Grrrrrrrrreat! Our parent volunteers are special people who support our many student council activities. The students, teachers, and New Berlin Police Officers greatly appreciate the many parents who donated waters and treats for our Middle School Volleyball Tournament. **We are grateful to Deb Adlam and Michelle and Ariel Gutierrez** for your assistance during the tournament. Thank you for making our activities a little more fantastic!

Good Citizen Presentations—Here at Holy Apostles School, we are creating a safe learning environment. Community Services Officer, Tony Fus, will be giving presentations for the sixth and eighth grade students on Friday, November 10. Officer Fus and the seventh graders will have their discussions second semester, during their D.A.R.E classes. These presentations directly correlate and support the health and religion curriculum on bullying prevention. Students will be able to:

- respect others while enforcing the Golden Rule
- recognize and define types of harassment and bystander behaviors
- empathize with people who are bullied and learn the consequences of phone and internet crimes
- identify strategies to avoid being harassed
- identify strategies to deal with bullying and help others who are bullied
- understand reasons why harassment occurs and why these behaviors need to change

Our community and Catholic values of compassion, accountability, responsibility, and honesty all help build trusting relationships and integrity. Promoting the social, emotional, and spiritual well-being of our students is extremely valuable as they grow into young adults.

Love Your Neighbor as Yourself. Luke 10:27

After splits are conducted, practices will be finalized by the coaches. 5th and 6th grade are allowed 2 – 1.5 hour practices a week (3 hours total) and the 7th & 8th grade are allowed 2- 2 hour practices a week (4 hours total). Congratulations to five HA boys who helped lead the Catholic Memorial Jr. Crusaders 6th grade football team to a 7-2 record this season.

Aside from exhibiting the energy and focus to play both offense and defense as the Jr. Crusaders had one of the smaller teams in the league, these boys demonstrated outstanding sportsmanship before, during, and after every single game with their teammates and the opposing teams. They were dedicated students during practices, team captains before the games, leaders during pre-game prayer, on-the-field generals that Coach Miklosy could count on during the games, and grateful sons after the games. Your parents are very proud of you boys! In addition, all of these boys also participate in HA Basketball and Track.

2017 Jr Crusader Football Season Achievements by HA Athlete:

- Ryan Czarnicki posted 8 tackles, ran in an extra point, fielded 2 punts, recovered 4 fumbles, hauled in 2 receptions, and scored a touchdown.
- Matthew Miklosy posted 34.5 tackles, 0.5 sacks, forced a fumble, intercepted a pass, fielded 2 kickoffs, hauled in 3 receptions, ran for over 400 yards, and scored 5 touchdowns.
- Bryce Roder posted 37.5 tackles, recovered 2 fumbles, ran for over 300 yards, and scored 3 touchdowns.
- Ben Kalawa posted 11 tackles and 2 sacks, ran for over 200 yards, scored 2 touchdowns, ran in an extra point, and fielded a kickoff.
- Henry Walden posted 19 tackles, grabbed 2 interceptions, fielded a punt, grabbed 6 receptions, and scored an extra point.

Attention Skiers & Snowboarders: The leaves are falling and soon the snow will start falling too . . . time to start thinking about the HA Ski Club at Alpine Valley! Ski club is a family activity open to those with students in school or faith formation at Holy Apostles. The club visits Alpine Valley Resort six times per season, either on Friday nights or Sunday afternoons. Beginner to Advanced skiers / snowboarders are welcome. All members of the student's family receive the discounted rates that Alpine Valley offers us.
