

# Discovering Christ is coming to Holy Ghost Parish!

**Mark your calendars...save the dates...don't miss this Lenten Opportunity**

**Where do you currently find your meaning?**

**Where do you want to find meaning?**

**Is it possible to be fulfilled?**

Discovering Christ offers all of us the opportunity to meet in small groups during Lent to reignite our relationship with Jesus or have the opportunity to personally encounter Jesus for the first time.

During our time together, we will pray and listen to a thought-provoking talk that is designed to explore the meaning and purpose of your life. After the talk, you can share your thoughts in a small group (talk as much or as little as you wish) and then we will end with prayer. Lent is definitely a great time to hear the Good News and decide how to incorporate it into your life.

All adults are welcomed whether they are baptized, unbaptized, parishioner or non-parishioner.

Discovering Christ will begin the week of February 21st. Will you make time to spend 90 minutes a week for 9 weeks exploring your faith and journeying with other members of your parish? Is this the time for you to explore God's love for you and be renewed by the Holy Spirit?

Because of COVID, we have adapted the sessions for everyone's safety. Masks and social distancing will be expected. Unfortunately, because of COVID restrictions there will be no meal served as mentioned in this video. [Click here](#) to watch a short video to get a glimpse into the Discovering Christ Program.
