

The members of the Faith – Hope – Love ministry would like to extend a great big thank you to all who have supported us in our efforts to house and mentor our families throughout the years.

In addition to the monetary support provided through our calendar appeal and the CORE collection, we are also grateful for your prayers....prayers that not only help strengthen our family, but also bless the dedicated people from our parish who provide mentoring.

Over the 21 years of its existence, our transitional housing program has helped families find their way from virtual poverty and homelessness, to lives that are productive, focused and economically independent. The name of the program itself spells out what you, our generous and loving parishioners, have provided for our families.

The majority of the families are single-mother head of households, many who have been victims of domestic violence. Your generosity provides our family with not only shelter and subsistence, but also in learning basic skills in parenting, career planning and financial responsibility.

WE ARE ALWAYS LOOKING FOR PEOPLE TO HELP IN OUR MINISTRY

You can help out with your **TIME**. In return, you'll be part of a group that has fun and enjoys satisfaction as we watch our families advance in the program. You can help through your **TALENT**. We need mentors, and others to help with publicity, fundraising and clerical duties. Everyone has life-experience to offer. For those interested in working directly with our family, there is mentor training provided throughout the year. Sharing your **TREASURE** has been the key to having been able to help so many families over the past 21 years, and we thank you again.

Please support our ADOPT A FAMILY CALENDAR fundraising campaign.

Each year, our greatest hope is to fill all 365 days of a calendar with your intentions. If we were able to accomplish this, we would cover over 90% of our housing costs each year.

We are asking for a \$25 tax-deductible donation for each date that you sponsor. Those donations go directly to pay the rent for the apartment we provide for our family. Pick a special date as a memorial....birthdays, anniversaries, etc.

Make it a family affair....pool your resources and pen in a family name.

Please share your Faith - Hope - Love with those who need it. For more information on how to help in this ministry, please call the parish office at 630-860-2975.
