

Phase 1-A

As we enter the second month of in-person Sunday worship services many of us anticipate, hope and pray that we can take the next step – some form of Sunday School. With that goal in mind, we are planning to move to Phase 1-A on Sunday, August 16th. This will be an adult Sunday School session and will be held in the Sanctuary at 10:15 A.M., immediately following the 9:00 A.M. worship service. It will conclude at 10:45 A.M. The format will be a discussion of the scripture reading and sermon of the day and will be led on an alternating weekly schedule by Susan Nyquist and Dick Nye. We will practice social distancing and mask wearing, just as in the worship service. If an 11:00 A.M. service is needed, the Response Team will be sanitizing the lobby, restrooms and entrances during Sunday School, and then the sanctuary at the conclusion of Sunday School prior to the next worship service. If enough people participate in this Phase, we will anticipate moving to an expanded Sunday School time, provided COVID-19 cases in Marion County trend down and health and city authorities ease restrictions. Our desire is to continue to move towards “normal” schedules and activities, while at the same time protecting the health and safety of all our church family. We want to do all the good we can, while at the same time, doing no harm.

The Response Team
