

### Nurturing Faith Guidelines:

On Sunday mornings after the Children's Moment during the 10 a.m. worship service, we will gather in McNaughton Hall to explore the Bible and its many stories. There will be hands-on crafts, music, drama and occasionally science experiments. Most of all, we plan to get to know one another and have lots of fun. We will have a special treat so please RSVP to let us know that you are coming and we can be certain that there are enough treats for everyone. **Your child will need to wear a mask.** So excited...can't wait to see you!!!
