

Go to our website: www.oapc.net; on the upper right side, click on:

If you've logged in before, sign In with your email address and password.

OR

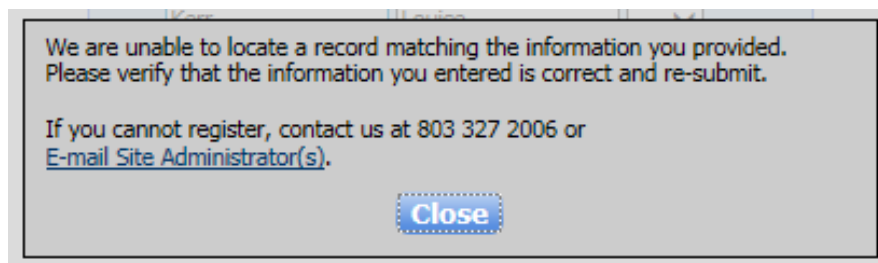

If this is your first time to login to Access ACS (OAPC's database information), click below the light blue box for **Need a login?**

When you see the message below, please enter the email address which OAPC has on file for you.

If you don't use the primary email address OAPC has for you, you'll see the message below. For assistance, contact the Church Office by phone or the email link provided.

After successfully logging on the first time, you'll just need to use your email address and password for future access.

Once you've logged in, click Directories on the upper left to view address and phone information.

After you setup your user name & password, go to your app store and download the ACS Church Life app. You will use your same user name & password that you created on the website to login on the Church Life app.
