\$100	\$4.15	\$25	\$100 Club

Questions You May Have

100% of these funds will be used for our "Restore Our Tower - Refresh Our Church" campaign.

How will my contribution be used?

All contributions will be used to repair the tower, repave the parking lot, refresh the church bathrooms, and replace the organ. Those who contribute a window or wooden panel will be asked which specific location they prefer.

When will the project begin?

Engineers and contractors have told us they hope to begin the tower project in August 2019.

Can I just increase my Sunday Offering?

The gifts we receive for the Sunday Offering go toward our parish and school expenses, allowing us to support our activities and ministries. These funds will be specially marked for this project and are separate from your regular Sunday Offerings.

How will I remember to contribute?

We will send reminder notices to those who choose to pay in installments.
