

SEPTEMBER/OCTOBER

3 Yr Old Newsletter

We're off to a fantastic start! The children are settling in and are busy making new friends. We have been talking about school rules and the daily routine. October begins with lessons about the seasons. We'll talk about the change in the temperature, clothing, and the signs of fall in our surroundings. Some of the stories we'll read are, *Squirrels Busy Day and Wonderfall*.

Our Music program begins with Miss Donlin in October. We'll be learning lots of fun songs and rhymes! Our next lesson topic will be the Farm! We will play a "Guessing Game" to determine if an animal belongs on a farm or in the zoo. We'll listen to the animals' sounds, move like them, and eat the foods from the farm. Some of our favorite stories are: *My Farm Friends, Hush Little Horsey, and Does a Cow Say Boo?* We'll end the month with Pumpkin Science and Halloween fun!

Reminders: Please label your child's backpack and any jackets/sweaters that will come off in school! And please send your child to school with the proper shoe/sneaker attire for the playground and gym! We look forward to seeing you at **Bedtime Story Night!**
