A very special thank you goes out to the Filoso family, Hillcrest Farms for their heartfelt, generous donation. When you have an extra moment in your day, please take a walk and see our new paver sidewalk leading into the entrance of our building along with new landscaping. This is located off the playground. What a beautiful and kind gesture to our school!

Our first Open House for prospective students was a great success! Registration for current students will take place in January. Details will follow. Please continue to inform friends and family about our wonderful program. You are our best advertisement!
