

February Newsletter 3.5 Year Olds

The month of February is all about love! During this month, we will explore our love of different cultures, the snowy weather, music, and most importantly each other!

We will be concluding our unit on Balloons with a special visit from a balloon “specialist” on Monday, February 4th! This will be a nice transition into our next unit, the Post Office. We will incorporate the wonderful holiday of Valentine’s Day by discussing how valentines are made and how they get from the mailbox to our homes! This all leads up to our Valentine’s Day party and our brief winter break.

Upon our return from break, we will begin one of our most interesting and fun units; the Orchestra! Entertaining literature will be used to enhance the unit along with audio sounds to help the children identify individual instruments not only visually but audibly as well!

Finally, we look forward to celebrating Father’s Day early on February 23rd with Father’s Day Saturday! The children will be working hard to prepare a day full of fun and surprises for the special “men” in their lives!
