

## February Newsletter 3 Year Old Classes

We will continue our unit on colors as we begin February with the color **RED**. We will read a St. Peter's favorite, Red Is Best. We will finish up our **COLORS** unit with rainbows. We will graph our favorite color and read Rainbow Rob and other color focused stories that will tie it all together 🌈. We will be exploring science through color mixing experiments and we will be practicing our math skills by sorting colors.

This month the children will be making special Valentine's Day cards. Be on the look out, as we will be mailing them home. There will be lots of learning and fun through our postal pretend play. Each class will have a Valentine party where we will sing songs and enjoy a special snack time. The children will also bring in Valentines for their classmates on the day of our party. Please do not write the recipient's name on the card. This will enable the children to 'deliver' their cards themselves. Also, please remember that St. Peter's has a 'no candy' policy.
