

February Newsletter 2022
St. Peter's Nursery School

Valentine preparation will begin this month. This holiday gives us an opportunity to reinforce discussions about friendship, sharing and helping others. Please send a valentine for each child in the class. Please sign the inside of the card and leave the front of the envelope blank.

We do request that the four-year-old classes place a name of a classmate on the outside of the envelope. This would be for all sections of 4's classes.

Valentine parties are held during class time for the children.

We appreciate your generosity, but we are requesting that candy not be given.

The final tuition payment for this year is due on March 1st.

Registration for the 2022- 2023 school year is going on now. Confirmation of placement and enrollment agreements will be sent out February 7th.

During these cold winter months, please have your child wear mittens, not gloves. We want to foster independence and make the most of their time outside.
