

JANUARY 2020 NEWSLETTER
3.5 YEAR OLD CLASSES

**Happy new year to all of our families!
We hope you enjoyed the holidays!**

Our classes will start off the month of January with a holiday Show and Tell. It is the one time of the year we allow the children to bring in a toy from home!

**We will be introducing our job chart and learning about our calendar.
Of course, we love our monthly visits from our music teacher, Miss Donlin.**

The children will discover more about themselves as we introduce our All About Me unit! As inches and feet are a little abstract at this age, we will learn how to measure using a unit of our blocks! How many blocks tall is each child? How much do they weigh? What do they want to be when they grow up? These are all questions we will be exploring. The pages the children will be creating will be kept at school until the spring to be used as a special surprise!

Toward the end of January, we will be learning about hibernation and migration, using books as Bear Snores On, Round Robin and Lewis Cardinal's First Winter. We will be making bird feeders and bear caves!!

**Mrs. Brohm
Mrs. Laracy**

**Mrs. Egan
Mrs. Donafrio**
