

May/ June Newsletter
Three-Year-Old Classes

It's hard to believe there are only 6 more weeks of school. Where did the year go? We will be wrapping up our unit on transportation in the middle of the month, with show and tell of our favorite modes of transportation.

Our last unit of the year will be zoo animals. The children will identify which animals are zoo animals and which are farm animals. Some of the books we will read are: "Goodnight Gorilla", "A View of the Zpp" and "Zoo Day."

We will be celebrating our moms and dads on two separate appreciation days. Mother's Day will be celebrated on May 5th/6th and Father's Day on May 12th/13th. We will be meeting the parents outside at the end of the day. The children will sing songs, listen to a story, and present mom or dad with a special present. More information will follow from the teachers.

Our year will end with a year-end celebration on the playground on your child's last day of school. It has been a wonderful year watching your children learn and grow. Thank you for sharing them with us.
