

Four Year Old Classes Newsletter May/June

Our four year old classes will be busy as we bring our school year to a close. We are all very excited to welcome our mothers and fathers to school for a special celebration including songs, language, and even a couple of surprises! Our Mother's Day celebration will be on May 5th and our Father's Day celebration will be on May 12th. (Information on time and location will be provided by your child's classroom teachers) Our classes will also be learning about plants and pollination. We will be learning about the process from seed to plant. We will also take a close look at bees and butterflies and how they serve as pollinators to help the plant population reproduce and stay healthy.

We will be learning about the ocean and the children will create ocean inspired pieces of art. They will learn about the beach, shells, sharks, whales, and a variety of other ocean creatures.

We will have fun learning about collections as we hear the story of **Harry Hoyle's Giant Jumping Bean** and have a "Collection Show and Tell".

*School will be closed on Monday, May 30th in observance of Memorial Day

* The last day of school will be a picnic on Thursday, June 9th. Be on the lookout for times and locations.

As our school year comes to a close, we want to thank you for sharing your children with us. It has truly been our pleasure watching them grow and learn!
