

May/June Newsletter

Three-Year-Old Classes

It's hard to believe there are only 6 weeks left of school. Where did the year go? Spring has finally arrived and it has been great for the children to be able to enjoy playing on the playground again!

The beginning of May will be dedicated to preparations for our Mother's Day celebrations. Our moms will join us for a snack prepared by the children. They will also enjoy some special songs sung by their children and hear a story.

Our unit of study for May will be zoo animals. We will identify which animals are zoo animals and which animals are farm animals. The children will be making cute animal art projects. Some of the books we plan to read are Goodnight Gorilla, Does a Kangaroo Have a Mother, Too?, Elephant's Trunk, and Going to the Zoo.

We will be ending the year by taking a walk to The Essex Fells Oval, hearing a story about going on a bear hunt, and playing some group games. Look for more information about this walk near the end of the month.

It has been a wonderful year watching your children learn and grow! Thank you for sharing them with us!
