

In November we will continue learning about the farm. All the children will have chance to have a pony ride. The farm unit will end with a Barnyard Dance, the date will be announced later this month. When the farm unit winds down Thanksgiving will be upon us! We have many projects to complete for our Thanksgiving feast. The children will be making a Turkey headband and a pasta necklace to wear at the celebration. We will be enjoying some Thanksgiving books and learning some turkey songs. "Hello Mr. Turkey How Are You?" is an annual favorite.

Conferences are scheduled for November 17th or November 18th. Your children's teachers will be putting out signup sheets next week and will announce where conferences will be held (inside, outside or remote).

We have enjoyed a happy and safe Fall. Thank you for sharing your children with us.
