

November Newsletter

3 $\frac{1}{2}$ Year Old Classes

The beginning of November is all about apples. Literature, science, math and art will all be incorporated in our exploration of apples.

As we prepare for Thanksgiving, turkeys and feathers will be used to help reinforce numbers 1-10 and to practice our patterning skills once again. The children will learn who the pilgrims were. The story The Pilgrim Children Had Many Chores is always a great way to begin a discussion about how our lives are different than the children's long ago. The children will have the opportunity to make butter, a chore the pilgrim children performed, and taste some at snack time. Of course there will be many songs and fingerplays about turkeys.

Before we break for the Thanksgiving holiday the children will have our version of a Thanksgiving Feast. Noodle necklaces and Indian headbands made by the children will be worn! The story Feeling Thankful will be read to prompt a discussion on the many things we have to be grateful for.

Conferences will be held toward the end of the month. More information will follow.

We wish all of you a Happy Thanksgiving

Mrs. Laracy, Mrs Brohm, Mrs. Egan, Mrs. Donofrio
