

**September / October Newsletter**  
**3 year old class**

We are off to a great start! The children are all settling in and busy making new friends. We have been talking about school rules and the daily routine. October begins our lessons about fall. We will talk about the changes in the weather and the signs of fall. Some of our favorite stories we will read are Squirrels Busy Day, Red Leaf, Yellow Leaf, and Mouse's First Fall.

Our next topic will be the farm. We will be learning about the animals that live on a farm and the foods that come from the farm. We will have fun with sorting animal games, animal sounds and movement, and of course singing some of our favorite farm songs. A few of the stories that we will be reading are Spot goes to the Farm, My Farm Friends, and I Went Walking. We will end our farm unit with a very special visitor from the farm that will be giving each child a pony ride!

We will also be celebrating the Halloween season with pumpkin science and more Halloween fun. Our halloween parties will include Halloween show n tell and yummy snacks.
