

## September/October Newsletter

### 3 ½-4 Years

Welcome to all students and parents! We are so excited to begin a new school year with your child! The start of our school year will focus upon getting to know your child and promotion of classroom comfort. We will spend the beginning weeks of school learning about our classroom, where things belong, and rules that keep us safe. We will also explore emotions, friendship, sharing, and problem solving in the classroom. These early lessons will continue to be reinforced everyday throughout the school year.

As we begin the school year, each class will assemble a class book to get to know our fellow classmates. This class book is a great way to sit with your child and share fun information about their new classmates. This year, our class book will be sent out via e-mail.

Getting to know about each member of our class is an integral part of our curriculum as we will take our time to learn about our families, favorites, and how we are the same and yet different.

As the month of October moves along, there will be excitement in the air, as we will look forward to celebrating Halloween. Literature, art, and music will enhance this festive time of year. We will have a Halloween show and tell with each child bringing in one piece of their costume to allow for a guessing game. Each child will use their language skills to present their costume piece and have their classmates guess what they are going to be for Halloween.

Have a Happy Halloween with your child and enjoy the season of Fall!
