

September Newsletter- 4 -year -old classes

We are so excited to welcome the children to our four-year-old classrooms!

Although September is a short month at St. Peter's, it will be a busy one. We will be spending a majority of our days getting to know your child and creating a classroom environment that sets each child up for success. We will be making an "All About Me" book that will circulate to each family's home. We will also be having an "All About Me" show and tell in hopes of getting to know our classmates a little better. We will learn about classroom rules and procedures and where to find everything that we may need in our classroom.

Back to school night videos will be available for you to view online September 17th.
