Please inform interested family and friends to contact the school (stpetersessexfellns@gmail.com) and set up an appointment to tour the school.

Our Celebrate with Santa event was such a tremendous success! It was wonderful to be able to have such a sweet event for the children. Thank you to all those who made this experience so magical.

Weather permitting, we will continue to play outside. If the temperature and wind chill are above 32 degrees, we will go outside. Please send in mittens and hats each day. We can set up equipment in the gym for an inside playtime if necessary.

School closings due to inclement weather will be announced by phone. School closings will also be announced on our Facebook Page.

Tuesday, January 10th at 3:05 we will be conducting a robo call test. A reminder will be sent out on Monday, January 9th. This is an effort to ensure that we have a successful notification process in the event of inclement weather and a school delay or closing.

We receive a report after each robo call, so we will be able to tell you if it was delivered, answered, or sent to voicemail if you have any questions. If you feel as though you did not receive the test call, please contact us at stpetersessexfellns@gmail.com and we would be happy to double check the phone number, or add a phone number.
