

November Newsletter

3 $\frac{1}{2}$ Year Old Classes

The beginning of November is all about **Families**. Literature, math and art will all be incorporated in our unit on families. We will be reading *Our Class is a Family* and *The Family Book*.

As we prepare for Thanksgiving, turkeys and feathers will be used to help reinforce numbers and to practice our patterning skills once again. Of course, there will be many songs and fingerplays about turkeys. We will bake a very special Thanksgiving treat to share at home. Before we break for the Thanksgiving holiday, we will have our version of a Thanksgiving Feast. Noodle necklaces and turkey headbands made by the children will be worn! The story *Feeling Thankful* will be read to prompt a discussion on the many things we have to be grateful for.

Conferences will be held during the third week of November. More information will follow.

We wish all of you a Happy Thanksgiving!
