

St. Peter's Nursery School
November Newsletter 2022

As the colder months move in, please send in an extra layer of clothing (sweatshirt or a sweater) to wear indoors. As per the CDC recommendations and the DCF guidelines, the circulation of air is of utmost importance. In addition to our MERV 13 and 18 filters, we open our windows of the building to allow for continuous air flow. Also don't forget hats and mittens. We go outside if it is above freezing and not raining each day.

Reminder: A seasonal flu vaccine is mandated by the State of New Jersey. Documentation from your doctor needs to be submitted no later than December 31st. Failure to do so will cause exclusion from school for the remainder of the flu season which is through March 31st.

Parent/Teacher conferences take place this month. This is a wonderful opportunity to speak with your child's teacher. Areas of growth and progress will be shared. Each class will miss one session for conferences.
