

St. Peter's Nursery School

October Newsletter 2022

Fall has arrived! This new season brings many opportunities to experience, observe and explore our world through science, art, music, and language development activities.

The State of New Jersey Department of Health and Senior Services requires all preschool children receive a flu vaccine by December 31<sup>st</sup>. Written documentation is required. If you wish to have a religious exemption, we will need a letter with the current date stating as such.

Our Back to School Night/Open House will be on October 19<sup>th</sup>. You can visit the classrooms and teachers during your scheduled time according to your child's class. Please see the schedule below:

6:00-7:00pm Young 3's, Tuesday/ Thursday 3's, M-R 3.5's, and 4am Rogers/Grasso

7:00-8:00pm MWF 3's, MWF 3.5's, 4pm DeFuria and Ms. G

Our school picture day is scheduled for October 12<sup>th</sup>. If your child does not have class on that day, the teachers will send you a schedule of when to bring your child to school. All regularly scheduled classes will have photos taken during scheduled class time. Included as part of the photo package is a class picture.

This year we are bringing back a former tradition of have a special guest come and read to the class on or around your child's birthdate. This special guest can be a parent or a special person to the child. In addition to coming to read, we have had parents donate a book to the school in honor of your child's special day. The book donation is voluntary.
