

Help the Haiti Relief Effort by Assembling a Health Kit!

You are invited to help with the Haiti relief efforts by preparing a health kit. Individuals and groups from the youngest to the oldest are encouraged to participate in this project. The kits will be collected in the Gathering Room, at the MAC entrance, and in the hallway behind the Sanctuary through **Sunday, February 14**. For more information, please contact **Tom Jones** at tjones@gfumc.com or 770.536.2341, ext. 119.

Important Kit Assembly Information

- All items included in kits **must be NEW items**.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that **kits contain only the requested items – nothing more**.
- **Do NOT include any personal notes or additional materials in the kits**. These things must be painstakingly removed and will delay the shipment.
