

SPECIAL NEEDS

Our mission is to identify and remove the barriers and challenges that keep children with disabilities and their families from being able to fully participate in the community of the church. We believe every child can know and serve Jesus. All children are a blessing to the body of Christ and we embrace them all by God's grace.

Our goals:

- These children will experience the joy of knowing they are of value to God and to God's people.
- They will grow in their understanding of God's world and their place in it.
- They will grow in their relationship to Jesus Christ, claiming Him as their Savior and Lord.
- They will grow in their relationship with Christ's church, making a public profession of their faith and participating in the church's life and work.

If your child is experiencing challenges at school, church, social activities, or in other ways, please complete the questionnaire on the back of this form, and turn it in to your child's teacher.
