

Centenary CARES Wish List

Wonderful changes are happening for **Centenary CARES**! However, with all the new ideas and resources, we also have a need for additional help:

KITCHEN WISH LIST: To help make meal preparation safer and more efficient, the food services manager has prepared an itemized list of needed utensils and tools; these are the type purchased through a restaurant supplier, versus a retail store. If you would like to assist with these purchases, please make your donation payable to **Centenary CARES**, indicate "**kitchen wish list**" in the memo line, and drop it in the offering plate or bring it to the office.
