PARENT VOLUNTEER OPPORTUNITIES

("ask not what your church can do for you...")

Your assistance is greatly appreciated (and often necessary!) in order for us to accomplish our goals with the choir. Please consider donating your time and/or talents to your child's choir in whatever way best fits your schedule and your liking! Simply check off any needs that you might be willing to help meet, and we'll be in touch! (If you are so kind as to check more than a few, we will call for only those areas that need you most!)
