History & Philosophy

The First United Methodist Church Preschool was formed as a ministry to the community in 1973. The school's purpose and ministry is to provide a nurturing, safe and trustworthy environment, one in which each child can grow and develop to his or her own potential. Of primary importance is the development of each child's positive sense of self-worth. Enrollment shall be open to any child providing the school can meet the needs of that child. The school is fully licensed by the Department of Children and Family Services.

Director

Amy Neumann has been working in the early childhood field since 1996. She has taught in a variety of settings including private preschools and Head Start. Additionally, she has worked as a volunteer coordinator and supervisor of early childhood ministries. She has a Bachelors Degree in Sociology with an emphasis on Family and Child Studies and an Associate Degree in Early Childhood. She is excited to bring her passion for the importance of early childhood education to FUMCAH.

Staff

The teachers are highly skilled professionals who have a strong commitment to Early Childhood Education. All teachers meet or exceed the DCFS required educational background. All staff are certified in Infant and Child CPR and First Aid.

Curriculum

Opportunities are provided for social and intellectual growth, emotional and physical development, coordination and creative expression. The First United Methodist Church We-e Care uses Developmentally Appropriate Practices developed by the National Association for the Education of Young Children.

Everyday activities include:

- Developmental play time
- Large motor activities including indoor and outdoor play
- Music
- Story Time
- Floor toys
- Blocks
- Puzzles
- Age appropriate art processes

Parental Involvement

We have an open door policy. Parents are welcome at any time and do not need to schedule a visit

Facility

We have large, bright classrooms – set up for many different types of activities.

Class Size

Classes meet or exceed DCFS teacher to child ratios.
