History & Philosophy

The First United Methodist Church Preschool was formed as a ministry to the community in 1973. The school's purpose and ministry is to provide a nurturing, safe and trustworthy environment, one in which each child can grow and develop to his or her own potential. Of primary importance is the development of each child's positive sense of self-worth. Enrollment shall be open to any child providing the school can meet the needs of that child. The school is fully licensed by the Department of Children and Family Services and is accredited by the National Association for the Education of Young Children.

Director

Amy Neumann has been working in the early childhood field since 1996. She has taught in a variety of settings including private preschools and Head Start. Additionally, she has worked as a volunteer coordinator and supervisor of early childhood ministries. She has a Bachelors Degree in Sociology with an emphasis on Family and Child Studies and an Associate Degree in Early Childhood. She is excited to bring her passion for the importance of early childhood education to FUMCAH.

Staff

The teachers are highly skilled professionals who have a strong commitment to Early Childhood Education. All teachers meet or exceed the DCFS required educational background. All staff are certified in Infant and Child CPR and First Aid.

Curriculum

The early development of social, intellectual, emotional and physical ability is essential in preparing children for school and for a well-adjusted life. To help children achieve these goals we have developed a well-rounded program. The First United Methodist Church Preschool uses Developmentally Appropriate Practices developed by the National Association for the Education of Young Children.

Children can explore through:

- Dramatic play
- Literature and language activities
- Music
- Cooking
- Creative art
- Puzzles
- Sand and water activities
- Math and science activities

Planned activities include:

- Circle/group time
- Music
- Outdoor/indoor gross motor

Enrichments

We currently offer Kindermusik (taught by a Kindermusik professional) and ICE (Imagine, Create, Explore). Children enrolled in these programs stay after our regular preschool day – they have lunch and then participate in the enrichment program. Enrichments are from 11:30am-1pm on most Mondays and Tuesdays.

Facility

We have large, bright classrooms – set up for many different types of activities. Our playground was designed specifically for preschoolers.

Class Size

Classes meet or exceed DCFS teacher to child ratios.

Visits/Tours

Please call 847-255-5119 or email us at fumc.ps.ah@gmail.com to arrange for a visit and tour.

Registration

Registration begins at the end of January and is ongoing until classes are full. Collected at the time of registration is a non-refundable \$75 registration fee and September's tuition (refundable through June 1).

Extension

Extend your child's day through our extension program. We currently offer extension two days a week – Wednesdays and Thursdays (October – May). Children get to stay, play and eat lunch.
